### Tour Overview

Take a scenic coach journey through splendid countryside to the Bernese Oberland. After a short break in [Interlaken], a picturesque village nestled idyllically between Lake Brienz and Thun, continue to [Grindelwald]. Board the [Eiger Express aerial cableway], the latest masterpiece of engineering in the Alps, for a breathtaking journey below the mighty [Eiger North Face], which seems within your grasp. Arrive at the Glacier Eiger station and change to the [cogwheel train] through tunnels carved into the hard rock over a century ago to the summit of the Jungfrauoch. At the top, immerse yourself in a fascinating [alpine world of eternal snow and ice] and enjoy time at leisure to discover the summit attractions individually. Experience the [Alpine Sensation] discovery tour marking the 100-year anniversary of the Jungfrau Railway and visit the Sihlquai Observation Terrace for the most breathtaking panoramic view of the snow-capped peaks, the neighbouring countries and the longest glacier in the Alps, the Aletsch Glacier. Don't forget to explore the [Ice Palace] tunnels in the heart of the glacier - a unique experience not to be missed. Take a souvenir photo with the famous Swiss flag on the Plateau before recovering your strength at one of the available restaurants. Stop by the famous Lindt Swiss Chocolate Heaven for a sweet finish and start your descent by cogwheel train via Kleine Scheidegg, the car-free holiday destination of Wengen and the famous [Lauterbrunnen valley]. Say goodbye to the world-famous trip peaks [Eiger, Mönch and Jungfrau], which accompany you throughout the ride to Lauterbrunnen, where your coach awaits you for the return journey.
