Day 1 Zurich Lucerne Engelberg Mt Titlis Lucerne Zurich

Tour Overview

An impressive day trip takes you through fantastic scenery along the shores of Lake Lucerne to the pretty town of Lucerne. Admire the views during a short photo stop en route and let your guide show you the main attractions on a brief orientation drive past the Chapel Bridge, the Town Hall, the Jesuit Church and the Culture and Convention Centre (KKL). Enjoy time at leisure to explore the Old Town before you continue to Engelberg. From the valley station, a breathtaking journey with the Titlis Xpress aerial cable car takes you to the Trübsee middle station. Follow a staff member to the Titlis Snow Park to pick up the equipment for your snow experience and get ready for a once in a lifetime adventure! Take your first steps on skis on the gentle beginner's slope and glide across the snow supervised by a member of staff. Swap your skis for snow tubes and slide down the hill – a magic carpet conveyor belt brings you back to the top time and time again. Top off your snow adventure with a ride in the revolving Rotair cable car to the summit of Mt Titlis at 3,028 m a.s.l. Capture magnificent views of the Swiss Alps from the panoramic terrace with your camera. Step into the Glacier Cave and find yourself surrounded by thick layers of eternal ice or overcome your vertigo and venture across Europe's highest suspension bridge - the Cliff Walk! In the late afternoon, descend by aerial cable car and drive back by coach via Lucerne to Zurich.
