Itinerary: Reykjavik-Northern Lights-Reykjavik

Day 1 Reykjavik Northern Lights Reykjavik

Tour Overview

We sail out from the Old Harbour in Reykjavik and in only 15-20 minutes we will be in a prime location away from the city lights, perfect for viewing the a uroras! The guide will share with you facts on the science behind the magical phenomenon of the Northern Lights, and tell you about their stories & myths s from different cultures around the world. The tour takes about 2-3 hours d epending on how early/late the lights might appear. We recommend putting on our free overalls on-board (overalls also available in children' s sizes!) tha t will keep you nice and warm out on the deck, listening to what the guide ha s to say about the lovely colours dancing in the sky. Throughout the tour we show our very own original Northern Lights video, full of interesting facts an d folklore! If you are cold you can grab a drink at the bar and cozy up inside watching the video or just simply enjoy the view of the city lights in the dista nce with your friends/family.

Meeting Point

📍 D1 Reykjavik (no pickup)	Departure: 21:00	Meeting Point: Geirsgata 11, 101 Reykjavík
📍 D1 Reykjavik (with pickup)	Departure: 21:00	Meeting Point: Hotel or bus stop in Reykjavik (Please fill in the hotel information when booking)

Drop Off *For reference only, the actual arrangement is subject to the tour guide

📍 D1 Reykjavik

the whole day

Useful tip: We always have a crew member taking pictures throughout the night so instead of taking a long time figuring out the right settings for your camera, enjoy the moment and check our daily diary to see the photos! (If you are eager to learn we can also assist you in getting the settings right)

Additional information

These tours are subject to correct weather conditions and sightings cannot be guaranteed. We reserve the right to cancel the tour due to unfavorable weather conditions if need be. Take a look at our terms & conditions for further information.

If the northern lights boat tour is cancelled, but aurora conditions are favorable, we offer a replacement northern lights tour by bus, plus a chance to join the boat tour the next available day (even if you see the lights on the bus).

If the tour does not operate at all (boat or bus) during your stay due to unfavorable weather conditions, you can exchange your ticket/voucher with one of the following options*:

- A Whale Watching Tour
- The chance to join a night of fun at the Whales of Iceland Exhibition (while keeping your boat ticket!)
- Or a full refund. (*All options have a value greater than or equal to the cost of your northern lights by boat ticket).

If you join the tour (boat or bus) and there are no sightings you will get another ticket to join us on the next available day. This ticket is valid indefinitely – so if you don't have another chance this time around we welcome you back when you visit Iceland again!

Please note that the starting point for this tour is the Special Tours Ticket Office, located at Geirsgata 11, 101 Reykjavík.

You will be asked to show a valid form of ID upon arrival for check-in.

Please note: Pick-up starts 60 minutes before the departure of the tour.

Important information

We always try our best to give our passengers the best possible chance to see the Northern Lights – however, it is important to know that we can never guarantee sightings as this is a hunt for a natural phenomenon.

We use the weather forecast to find out the cloud cover on the night & the strength of the lights. We will always sail out when there is a chance of visibility as we do not want our passengers missing out on a chance to see the auroras.

We kindly ask you to be positive, embrace your patience and keep your fingers crossed!

Dress tip: Dress according to Icelandic weather and don't forget your hats & gloves. Our staff always does their best to keep the boat decks clear of ice/snow – but we do recommend wearing good shoes on the tour as the weather can change quickly.
