Disneyland Park

Walt Disney Studios Park

[Disneyland Park]

Disneyland Park is divided into five themed "lands", which house 49 attractions. Designed like a wheel with the hub on Central Plaza before Sleeping Beauty Castle, pathways spoke out across the 140 acres (57 ha) of the park and lead to the lands. With spectacular shows, fascinating attractions, dazzling parades and appearances by famous Disney characters, it's all about enjoying the fantasy and experiencing the excitement of a dream come true. Not only can you see the world's tallest Sleeping Beauty Castle, but at night there are superb fireworks and light shows. You can also see the lovely Mickey Mouse Donald Duck parade and your favorite cartoon characters, so you can swim in the fairy tale world, to meet all the children's hearts, to enjoy the wonderful fairy tale world.

[Walt Disney Studios Park]

Walt Disney Studios Park is the second of two theme parks built at Disneyland Paris in Marne-la-Vallée, France. The park is represented by the Earffel Tower, a water tower with Mickey Mouse ears similar to the one formerly located at Disney's Hollywood Studios, which in turn was inspired by the water tower at the Walt Disney Studios lot in Burbank, California. In 2023, the park hosted 5.7 million visitors, making it the 20th-most visited theme park in the world and the third-most visited in Europe.
