Tour Overview

The Northern Lights dancing up above is such a powerful and unique natural phenomenon: it changes lives down on earth. Being one of the best places to spot the Auroras, Finnish Lapland is the ideal place to see them! Let our guide and photographer take you into the Arctic forest for an unforgettable Northern Lights experience and get beautiful souvenir photos of you and your family witnessing one of the most beautiful displays the sky has to offer! Departure: any time between 20:00 - 22:00 Duration: 3-4 hours Follow our professional photographer, who will setting up the camera and taking pictures for you with their own high-quality cameras. You may also bring your camera with you and the photographer will show you the necessary tricks to capture the auroras if needed. Once inside the magical forest, away from the light pollution of the city (travel distance from 20 km up to maximum 100 km). Sit around the campfire and enjoy a traditional reindeer sausage while your guide will explain why the Northern Lights occur as well as about traditional legends from the Sami and Lappish cultures. After the tour, The photographer will share the photos of the Northern Lights in a single folder, accessible to anyone who participated in the tour and has the link. If you prefer a private link to access your photos, please inform us to book your private tour!
