Day 1 Rovaniemi

Tour Overview

Ice fishing is the best choice for people seeking for an authentic local experience. Rovaniemi is an ideal location for fishing enthusiasts with a land of forests and lakes covered in snow. Departure: any time between 9:00 and 13:30 Duration: 4 hours Walk through the Arctic forest to reach your destination for fishing. If the snow is deep enough, strap on your snowshoes and experience walking with the Arctic style. Arriving at the lake, you will drill through thick ice with the support of your professional guide. Wait for a fish while you enjoy the scenery. After a while, head for your cookout trip. Gather around a campfire in the snow, taste the Arctic salmon with Lappish bread along with a cup of hot blueberry juice. Delight in grilling your own fish, if are lucky enough to catch one.
