### Day 1 Tromso

---

**Tour Overview**

Experience the thrill of evening snowmobiling through the remote wilderness surrounding Camp Tamok. Depart from the city center of Tromsø by bus and embark on an exciting snowmobiling adventure. After a 90-minute relaxing bus journey, you will enter the remote area Tamokdalen where our wilderness camp is located. Upon arrival at Camp Tamok, you will be warmly greeted by your guide and outfitted with all the necessary gear and clothing, including thermal suit, boots, gloves and helmet. Our expert guides will provide thorough safety instructions on how to drive a snowmobile, ensuring everyone feels confident and safe before heading out on the tour. Follow your tour guide and navigate along snowy trails. Although this tour does not focus on chasing the northern lights, as we will venture into total darkness, we might get lucky and witness them while being out on the tour, adding an extra touch of magic to this evening adventure. You will share a snowmobile with another person, taking turns as the driver and passenger. Halfway through the tour, we'll have a short break where you'll swap places, ensuring both of you have the chance to drive the snowmobile. After the snowmobile tour, you will return to the camp, where a warm meal awaits in one of our traditional lavvus (indigenous Sámi tent). With food and drinks served, gathered around the open fire, you will get the chance to relax and share stories of your recent adventures. During peak season, we might split the group to avoid large groups. Half of the group will start with a warm meal in the lavvu before heading out on their snowmobile tour. With everyone returned to the camp, it's time to board the bus and return to Tromsø, taking with you great memories of your adventurous evening in the Arctic wilderness.
