## Day 1 Kirkenes

### Tour Overview

On this tour you will drive 2 together on a Snowmobile, and switch on driving. We will pick you up at your hotel in Kirkenes, and take you on a 15 minute ride to the Snowhotel Kirkenes camp outside Kirkenes. Here your guide will help you get well dressed for the cold arctic climate. Then we go out to get to know the snowmobiles thoroughly before turning them on. The guide will take time to give both full security instructions, and not the least a training session, so all, also those who have never driven a snowmobile before, are comfortable to drive. When we are ready, the journey begins, and we drive out on the fjord ice toward the Pasvik Valley, to search for the Northern Lights. There will be stops along the way and plenty of time to take pictures.
